## **We take pride in providing a winning experience for every group, every time.**

“ The team at GoPro Motorplex has earned our respect for knowing how to both entertain and foster an environment of teamwork at the same time. Our business will continue to send groups there because we believe in the results we see in increased interaction. At Valvoline, we love to see pride in hands-on expertise and it won't take you long to see it for yourself at GoPro Motorplex. ”

**-Michael W. Morrison, Valvoline**

“ When scheduling time with our customers we need to make sure the atmosphere is exciting and their senses are turbo-charged for a great day of fun and education. GoPro Motorplex was the perfect venue to combine a fun time with our company's training presentation. Everything was top notch, which led to our customers walking away with a great experience, and our company walking away with stronger relationships. ”

**-Edwin Corleto, Nexen Tire**

“ GoPro Motorplex offers an affordable and fun experience for individuals as well as for group outings! Whether you are a company wanting to host a corporate event or an individual trying out karting for the first time, GoPro Motorplex has many different offerings to suit your needs. With an experienced staff as well as having the premier karting facility in North America, it will leave you with an experience to treasure! ”

**-Stan Stanford, Parker Hannifin Corporation**

“ We are located locally, so for the past two years, our organization has hosted our annual team building event at GoPro Motorplex and we plan to keep it a tradition. They are great to work with, provide excellent support in planning and ensure a good time is had by all. ”
